Ingredients:

Animal protein and fat (preserved); cereal products; molasses; phosphoric acid; vegetable fat; salt; dbiotin; vitamin E; iron; copper sulfate; minerals; niacin; vitamins B-12, B-6, B-5, A, D-3 and K; calcium pantothenate; cobalt; folic acid; selenium. Propionic acid added as a preservative.

Select Diet is a complete, nutritious food specially formulated for your Hedgehogs - you don't need any supplements. It's safe for their teeth and will not wear them down like hard, dry cat food can.

The semi-soft texture mimics the food they find in their natural habitat. More palatable to hedgehogs than other Hedgehog foods - even overly picky eaters like it.
